SKILLS

Composer

3 Years of professional experience writing music for film, TV, commercials and video games. I also compose music for music licensing houses and music libraries.

Synthesrator / Mockups

I feel very comfortable writing/producing fully arranged material in many different styles in Logic and other DAWs.

Musician

13 years of performance experience on instruments including soprano, alto & tenor saxophone, clarinet and piano/keyboards.

Web & Graphic Design

5 years of experience using Dreamweaver (HTML, CSS, JQuery) and Photoshop to create personal websites, graphics and other useful things (such as this resume template, album covers and icons).

Also familiar with SEO web search optimization techniques.
